- All assistance and guardianship during the complete educational period.

22. How much luggage is allowed to be brought?

While there is no general restriction in the weight of the luggage brought from your hometown, it should be noted that most of the airlines allow 20-25 kg of luggage to be carried free of cost. All excess luggage is to be paid on a Kg basis and may be very expensive. It is recommended to bring only the necessary things that are required and which you feel may not be available in Romania. All other things could be purchased in Romania. It is recommended to carry with you warm clothes like coat, boots, cap, gloves, scarf etc, things of personal hygiene. For your journey in the period of September – October, you could carry with you an easy jacket, jeans, socks, sport boots while during the winter months of November – December you would need to carry a warm coat, a sweater, warm trousers, boots, cap, and gloves. In case of need, contact us for more information.

23. Will I have to incur some additional expenses upon arrival in Romania?

Upon arrival, the student should pay to the University the officially established charges for the registration, which would be around 50 Euro.

24. What will be my average month expenses?

Usually the expenses for first month of staying in Romania are more than those of the subsequent months. This is due to the reason that the student would need to pay the registration charges, purchase items of necessity etc. Subsequently, the average monthly expenses for food are about 100 -250 Euro, depending on individual case.

27. How do my parents can send me money for my expenses?

Parents can send the money to the student's bank account in Romania by the way of a wire transfer. The student is recommended to open a bank account as soon as the process of registration is completed, which normally takes around 10-15 days. Or by western Union, ...

28. Do i need a life and a health insurance?

Yes, as soon as you arrive in Romania, you are advised to take insurance. For student, it is around 30 Euro/month for 2 to 3 months (till you get permis residence), and 10 Euro/month after you get permis residence

29. What is the preparatory faculty and what is it for?

The preparatory faculty is a special educational program with duration of 1 academic year (7-10 months). At the preparatory faculty students study Romanian language and the special disciplines required depending on the chosen future specialty (language of science, mathematics, physics, chemistry, biology, computer science, geography, history, literature and so on). After completing the preparatory faculty the student pass through an examination. In case of a successful passing of the examination, the student receives the Certificate of the preparatory faculty. This certificate gives the student a right to enter any Romanian university without entrance examinations. But if the student chooses to study in English, French Germany language he/she does not need to study at the preparatory faculty, he enters directly the first year of the degree course. Studying at the preparatory faculty starts in the September, every year.

30. Is it difficult to study at the preparatory faculty?

The program of the preparatory faculty is worked out for an ordinary level of complexity. The student who attend all the classes, carry out practical and home tasks, do not face any problems with studying in this faculty.
